

CA-Remover

Breaks down and removes all types of cyanoacrylate adhesives.

WEICON CA-Remover reliably breaks down and removes all types of cyanoacrylate adhesives.

The remover is suitable for cleaning metal parts, tools and many different surfaces that have come into contact with cyanoacrylate adhesives.

After a few minutes of soaking in, the dissolved adhesive can be wiped off with a lint-free cloth. In case of stubborn soiling, repeat the procedure.

Some plastics, coatings and sensitive surfaces may possibly be damaged by the CA-Remover. Therefore, the material compatibility of the surface should always be tested on a hidden area first.

In contrast to other conventional solvents, WEICON CA-Remover is not highly flammable and has a high flash point of >120°C.

Technical Data

Colour	transparent
Flash point	> 120 °C
Viscosity adhesive	3 - 10 mPa·s
Storage stability	12 months
Density of the mixture	1,2 g/cm ³

Wet the area to be cleaned with CA remover. After a few minutes of soaking in, the dissolved adhesive can be wiped off with a lintfree cloth. In case of stubborn soiling, repeat the procedure.

Keep in closed original container. Protect from direct sun light. Storage temperature may not exceed +50°C. Store container in a cool, dry and ventilated place.

Safety and health

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.

Available sizes:

12470012 CA-Remover 12 ml 12470030 CA-Remover 30 ml

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
