

# Rust Loosener and Contact Spray

## Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding +50°C.

## Safety and health

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets ([www.weicon.com](http://www.weicon.com)) must be observed.

## Available sizes:

11150400

Rust Loosener and Contact Spray 400 ml

## 6-fold function

The six-fold function of Rust Loosener and Contact Spray makes it indispensable for repairs, maintenance and servicing. Thanks to its excellent creeping capacity, WEICON Rust Loosener and Contact Spray reaches even the smallest intermediate spaces. The 3-way spray valve makes it possible to work in any position (even overhead).

WEICON Rust Loosener and Contact Spray loosens rusted and stiff parts, screws, bolts, joints and hinges, dispels water from ignition systems, secures the function of mechanical parts and contacts, e.g. on distributor caps and spark plugs, sustainably protects against corrosion and oxidation, provides long-lasting lubrication to sliding surfaces, and cleans and cares for metal surfaces, mechanical parts and electrical systems.

## Technical Data

Odour	petroleum
Features	6-fold function
Silicone free	yes
Storage stability	24 months
Colour	beige
Kinematic viscosity (DIN 51562) at +40°C	21 mm <sup>2</sup> /s
Kinematic viscosity (DIN 51562) at +100°C	4 mm <sup>2</sup> /s
Temperature resistance	-20 to +150 °C
ISSA-Code	53.402.09
IMPA-Code	450823

## Processing

Shake can before use. Apply Rust Loosener and Contact Spray at approx. 5 cm distance from surface and let it work for approx. 30 seconds.

## Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
