

Silicone Fluid

special sliding and lubricating agent for sensitive areas NSF approval

WEICON Silicone-Fluid is a special, physiologically harmless sliding agent and lubricant for sensitive areas. It has an NSF H1 approval for the food industry, and can therefore be used in the foods and beverages industry and in the pharmaceuticals and cosmetics industries.

Silicone-Fluid can also be used as release-, protective- and care agent on the most different surfaces like plastics, metal, stainless steel and rubber.

Silicone-Fluid has a durable and good surface quality and is temperature-resistant up to $+250^{\circ}\text{C}$ ($+482^{\circ}\text{F}$). Due to its special formula and the resulting NSF H1 approval, WEICON Silicone-Fluid is used to improve workplace safety and health protection.

Technical Data

Odour	odourless
Features	NSF H1 approval
Silicone free	yes
Storage stability	24 months
Colour	colourless
Temperature resistance	-30 to +250 °C

Processing

Clean and degrease surfaces before processing. Shake well the aerosol can and spray with a distance of approx. 25 cm. Do not apply this aerosol during production or transport processes of foods.

Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding $+50^{\circ}$ C.

Safety and health

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.

Available sizes:

11351400 Silicone Fluid 400 ml

Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
